Gladwin Community Schools Bonding Proposal

Shall Gladwin Community Schools, Gladwin and Clare Counties, Michigan, borrow the sum of not to exceed Three Million Five Hundred Thousand Dollars ($3,500,000) and issue its general obligation unlimited tax bonds therefor for the purpose of:

remodeling, equipping and re-equipping school buildings?

The following is for informational purposes only:

The estimated millage that will be levied for the proposed bonds in 2020 is 0.2 mill ($0.20 on each $1,000 of taxable valuation) for a 0 mill net increase over the prior year's levy. The maximum number of years the bonds may be outstanding, exclusive of any refunding, is twelve (12) years. The estimated simple average annual millage anticipated to be required to retire this bond debt is 0.59 mill ($0.59 on each $1,000 of taxable valuation).

The school district does not expect to borrow from the State to pay debt service on the bonds. The total amount of qualified bonds currently outstanding is $4,725,000. The total amount of qualified loans currently outstanding is $0.00. The estimated computed millage rate may change based on changes in certain circumstances.

(Pursuant to State law, expenditure of bond proceeds must be audited and the proceeds cannot be used for repair or maintenance costs, teacher, administrator or employee salaries, or other operating expenses.)

Township

Billings Township Proposal No. 1
Mosquito Control Millage

This millage proposal would allow the Township of Billings to levy sixty-five hundredths (0.65) of a mill for the purpose of reducing and controlling the mosquito population within the Township.

Shall the Township of Billings, Gladwin County, Michigan, increase the limitation on the total amount of general ad valorem taxes which may be imposed for all purposes upon real and personal property in the Township, as provided in Article 9, Section 6, of the Michigan Constitution of 1963, as amended, by sixty-five hundredths (0.65) of a mill ($0.65 per $1,000.00) of taxable valuation as finally equalized, for a period of three (3) years (2020 through 2022, inclusive), which levy would provide estimated revenues to the Township of $79,593.87 in its first year if approved and levied, for the purpose of reducing and controlling the mosquito population within the Township?

Township	**Mid Michigan College Operating Millage Proposal**
Billings Township Proposal No. 1 Mosquito Control Millage This millage proposal would allow the Township of Billings to levy sixty-five hundredths (0.65) of a mill for the purpose of reducing and controlling the mosquito population within the Township. Shall the Township of Billings, Gladwin County, Michigan, increase the limitation on the total amount of general ad valorem taxes which may be imposed for all purposes upon real and personal property in the Township, as provided in Article 9, Section 6, of the Michigan Constitution of 1963, as amended, by sixty-five hundredths (0.65) of a mill ($0.65 per $1,000.00) of taxable valuation as finally equalized, for a period of three (3) years (2020 through 2022, inclusive), which levy would provide estimated revenues to the Township of $79,593.87 in its first year if approved and levied, for the purpose of reducing and controlling the mosquito population within the Township? Yes ◯ No ◯	This proposal will allow the community college to restore its charter millage to the full amount previously approved by the electors and to increase the same. Shall the limitation on the amount of taxes which may be assessed against all property within the district boundaries of Mid Michigan College, Michigan, be increased by .6268 mill ($0.6268 on each $1,000 of taxable valuation) for a period of 10 years, 2020 to 2029, inclusive, to provide funds for operating and other legally permissible purposes, including but not limited to acquisition of technology to support students and programs; the estimate of the revenue the community college will collect if the millage is approved and levied in 2020 is approximately $1,261,822 (this millage is to restore millage lost as a result of the reduction required by the Michigan Constitution of 1963 and to increase the same)? Yes ◯ No ◯

I. C.O.O.R. Intermediate School District Special Education Millage Proposal (Restoration of Headlee Reduction)

This proposal will allow the intermediate school district to restore its voted special education millage to the full amount previously approved by the electors for special education purposes.

Shall the current charter limitation on the annual property tax rate for the education of students with a disability in C.O.O.R. Intermediate School District, Michigan, be increased by 0.1171 mill ($0.1171 on each $1,000 of taxable valuation) for a period of 10 years, 2020 to 2029, inclusive (this increase will allow the intermediate school district to levy the maximum rate of 0.75 mill previously approved by the electors that has been reduced as required by the Michigan Constitution of 1963); the estimate of the revenue the intermediate school district will collect if the millage is approved and levied in 2020 is approximately $366,849.79 from local property taxes authorized herein?

- Yes ◯
- No ◯

Intermediate School District

II. C.O.O.R. Intermediate School District Operating Millage Proposal

This proposal will allow the intermediate school district to restore its allocated millage to the full amount previously allocated for operating purposes.

Shall the limitation on the amount of taxes which may be assessed against all property in C.O.O.R. Intermediate School District, Michigan, be increased by 0.047 mill ($0.047 on each $1,000 of taxable valuation) for a period of 10 years, 2020 to 2029, inclusive, to provide funds for operating purposes; the estimate of the revenue the intermediate school district will collect if the millage is approved and levied in 2020 is approximately $147,241.16 (this millage is to restore millage lost as a result of the reduction required by the Michigan Constitution of 1963)?

Gladwin Community Schools Bonding Proposal

Shall Gladwin Community Schools, Gladwin and Clare Counties, Michigan, borrow the sum of not to exceed Three Million Five Hundred Thousand Dollars ($3,500,000) and issue its general obligation unlimited tax bonds therefor for the purpose of:

remodeling, equipping and re-equipping school buildings?

The following is for informational purposes only:

The estimated millage that will be levied for the proposed bonds in 2020 is 0.2 mill ($0.20 on each $1,000 of taxable valuation) for a 0 mill net increase over the prior year's levy. The maximum number of years the bonds may be outstanding, exclusive of any refunding, is twelve (12) years. The estimated simple average annual millage anticipated to be required to retire this bond debt is 0.59 mill ($0.59 on each $1,000 of taxable valuation).

The school district does not expect to borrow from the State to pay debt service on the bonds. The total amount of qualified bonds currently outstanding is $4,725,000. The total amount of qualified loans currently outstanding is $0.00. The estimated computed millage rate may change based on changes in certain circumstances.

(Pursuant to State law, expenditure of bond proceeds must be audited and the proceeds cannot be used for repair or maintenance costs, teacher, administrator or employee salaries, or other operating expenses.)

Community College

Mid Michigan College Operating Millage Proposal

This proposal will allow the community college to restore its charter millage to the full amount previously approved by the electors and to increase the same.

Shall the limitation on the amount of taxes which may be assessed against all property within the district boundaries of Mid Michigan College, Michigan, be increased by .6268 mill ($0.6268 on each $1,000 of taxable valuation) for a period of 10 years, 2020 to 2029, inclusive, to provide funds for operating and other legally permissible purposes, including but not limited to acquisition of technology to support students and programs; the estimate of the revenue the community college will collect if the millage is approved and levied in 2020 is approximately $1,261,822 (this millage is to restore millage lost as a result of the reduction required by the Michigan Constitution of 1963 and to increase the same)?

I. C.O.O.R. Intermediate School District Special Education Millage Proposal (Restoration of Headlee Reduction)

This proposal will allow the intermediate school district to restore its voted special education millage to the full amount previously approved by the electors for special education purposes.

Shall the current charter limitation on the annual property tax rate for the education of students with a disability in C.O.O.R. Intermediate School District, Michigan, be increased by 0.1171 mill ($0.1171 on each $1,000 of taxable valuation) for a period of 10 years, 2020 to 2029, inclusive (this increase will allow the intermediate school district to levy the maximum rate of 0.75 mill previously approved by the electors that has been reduced as required by the Michigan Constitution of 1963); the estimate of the revenue the intermediate school district will collect if the millage is approved and levied in 2020 is approximately $366,849.79 from local property taxes authorized herein?

Gladwin Community Schools Bonding Proposal

Shall Gladwin Community Schools, Gladwin and Clare Counties, Michigan, borrow the sum of not to exceed Three Million Five Hundred Thousand Dollars ($3,500,000) and issue its general obligation unlimited tax bonds therefor for the purpose of:

remodeling, equipping and re-equipping school buildings?

The following is for informational purposes only.

The estimated millage that will be levied for the proposed bonds in 2020 is 0.2 mill ($0.20 on each $1,000 of taxable valuation) for a 0 mill net increase over the prior year's levy. The maximum number of years the bonds may be outstanding, exclusive of any refunding, is twelve (12) years. The estimated simple average annual millage anticipated to be required to retire this bond debt is 0.59 mill ($0.59 on each $1,000 of taxable valuation).

The school district does not expect to borrow from the State to pay debt service on the bonds. The total amount of qualified bonds currently outstanding is $4,725,000. The total amount of qualified loans currently outstanding is $0.00. The estimated computed millage rate may change based on changes in certain circumstances.

(Pursuant to State law, expenditure of bond proceeds must be audited and the proceeds cannot be used for repair or maintenance costs, teacher, administrator or employee salaries, or other operating expenses.)

Community College

Mid Michigan College Operating Millage Proposal

This proposal will allow the community college to restore its charter millage to the full amount previously approved by the electors and to increase the same.

Shall the limitation on the amount of taxes which may be assessed against all property within the district boundaries of Mid Michigan College, Michigan, be increased by .6268 mill ($0.6268 on each $1,000 of taxable valuation) for a period of 10 years, 2020 to 2029, inclusive, to provide funds for operating and other legally permissible purposes, including but not limited to acquisition of technology to support students and programs; the estimate of the revenue the community college will collect if the millage is approved and levied in 2020 is approximately $1,261,822 (this millage is to restore millage lost as a result of the reduction required by the Michigan Constitution of 1963 and to increase the same)?

Gladwin Community Schools Bonding Proposal

Shall Gladwin Community Schools, Gladwin and Clare Counties, Michigan, borrow the sum of not to exceed Three Million Five Hundred Thousand Dollars ($3,500,000) and issue its general obligation unlimited tax bonds therefor for the purpose of:

remodeling, equipping and re-equipping school buildings?

The following is for informational purposes only:

The estimated millage that will be levied for the proposed bonds in 2020 is 0.2 mill ($0.20 on each $1,000 of taxable valuation) for a 0 mill net increase over the prior year's levy. The maximum number of years the bonds may be outstanding, exclusive of any refunding, is twelve (12) years. The estimated simple average annual millage anticipated to be required to retire this bond debt is 0.59 mill ($0.59 on each $1,000 of taxable valuation).

The school district does not expect to borrow from the State to pay debt service on the bonds. The total amount of qualified bonds currently outstanding is $4,725,000. The total amount of qualified loans currently outstanding is $0.00. The estimated computed millage rate may change based on changes in certain circumstances.

(Pursuant to State law, expenditure of bond proceeds must be audited and the proceeds cannot be used for repair or maintenance costs, teacher, administrator or employee salaries, or other operating expenses.)

The estimated simple average annual millage anticipated to be required to retire this bond debt is 0.59 mill ($0.59 on each $1,000 of taxable valuation).

The school district does not expect to borrow from the State to pay debt service on the bonds. The total amount of qualified bonds currently outstanding is $4,725,000. The total amount of qualified loans currently outstanding is $0.00. The estimated computed millage rate may change based on changes in certain circumstances.

(Pursuant to State law, expenditure of bond proceeds must be audited and the proceeds cannot be used for repair or maintenance costs, teacher, administrator or employee salaries, or other operating expenses.)

Community College

Mid Michigan College Operating Millage Proposal

This proposal will allow the community college to restore its charter millage to the full amount previously approved by the electors and to increase the same.

Shall the limitation on the amount of taxes which may be assessed against all property within the district boundaries of Mid Michigan College, Michigan, be increased by .6268 mill ($0.6268 on each $1,000 of taxable valuation) for a period of 10 years, 2020 to 2029, inclusive, to provide funds for operating and other legally permissible purposes, including but not limited to acquisition of technology to support students and programs; the estimate of the revenue the community college will collect if the millage is approved and levied in 2020 is approximately $1,261,822 (this millage is to restore millage lost as a result of the reduction required by the Michigan Constitution of 1963 and to increase the same)?

Gladwin Community Schools Bonding Proposal

Shall Gladwin Community Schools, Gladwin and Clare Counties, Michigan, borrow the sum of not to exceed Three Million Five Hundred Thousand Dollars ($3,500,000) and issue its general obligation unlimited tax bonds therefor for the purpose of:

remodeling, equipping and re-equipping school buildings?

The following is for informational purposes only:

The estimated millage that will be levied for the proposed bonds in 2020 is 0.2 mill ($0.20 on each $1,000 of taxable valuation) for a 0 mill net increase over the prior year's levy. The maximum number of years the bonds may be outstanding, exclusive of any refunding, is twelve (12) years. The estimated simple average annual millage anticipated to be required to retire this bond debt is 0.59 mill ($0.59 on each $1,000 of taxable valuation).

The school district does not expect to borrow from the State to pay debt service on the bonds. The total amount of qualified bonds currently outstanding is $4,725,000. The total amount of qualified loans currently outstanding is $0.00. The estimated computed millage rate may change based on changes in certain circumstances.
