**FIVE STEPS FOR COMPLETION OF FORM**

- 1.) Check for candidate name omissions on this form by comparing it against the candidate names printed on the county's ballots. If an omission is found, contact the Department of State's Bureau of Elections in Lansing.
- 2.) Enter all totals in words and numerals. Example: Three hundred and twenty-one (321). Do not fail to enter the county's Poll Book total below. When entering the total number of votes cast for all candidates for a particular office, DO NOT include write-in votes cast for individuals who did not submit a Declaration of Intent form.
- 3.) Double check all entries for errors. There can be no discrepancies in the totals recorded on this form, the totals entered on the Official County Canvassers' Statement and the precinct results certified for your county. Complete accuracy is of extreme importance as the totals entered on this form represent the official record of the election.
- 4.) After completing the form, affix all required signatures and county seal on the last page.
- 5.) Mail the original copy of this form to the Department of State's Bureau of Elections as soon as it is completed.
