Disaster Recovery Center Opens in Gladwin County for Michigan Survivors

MIDLAND, Mich. – A Disaster Recovery Center is now open in Gladwin County to help residents through the assistance process after damages and losses suffered during the severe storms and flooding that occurred from June 22 – 27, 2017.

Representatives from the Federal Emergency Management Agency and U.S. Small Business Administration (SBA) are at the center to answer questions about disaster assistance and low-interest disaster loans for businesses, homeowners and renters. They can also help survivors apply for federal disaster assistance.

The following location will be serving as a Disaster Recovery Center:

Gladwin County

MSU Co-Op Extension Office
555 W. Cedar Ave., Ste. A
Gladwin, MI 48624

The Disaster Recovery Center hours are from 8 a.m. to 6 p.m. Monday through Saturday. The center is closed on Sundays.
