

## Interested in purchasing a parcel from the Gladwin County Land Bank?

Here is some helpful information for you...

- Parcels are \$150.00 plus a \$50.00 processing fee, for a total cost of \$200.00 per parcel.
- We advise you to check with the Local Unit Assessor to get any further information on any parcels you are interested in. They would be able to answer questions about your plans, assessments, tax amounts, or size of the parcel.
- Parcels with one asterisk (\*) have a sewer assessment, and those with two asterisks (\*\*) have property owner association dues. If the parcel with two asterisks falls in Butman Township (060), please contact the Sugar Springs POA for more information about dues. They can be reached at 989-426-4111.
- If you looking for further information on the parcels, there are two websites that can be helpful for you
  - [www.gladwincounty-mi.gov](http://www.gladwincounty-mi.gov), then go to “Departments”, then “Equalization”, and then “GIS Image Viewer”
  - <https://aca3.accela.com/LARA/Default.aspx>

If you have any further questions, please contact the Gladwin County Treasurer’s Office at 989-426-7251.
