Reference: Request to purchase ammunition

I am requesting to make our annual ammunition purchase. I have attached a quote for a per case price. The quote is supplied by Kiesler Police Supply who holds the State of Michigan Contract for ammunition purchases. I have been informed that ammunition orders are taking 9-12 months to fill. This is not an ideal wait time for us, unfortunately, we have no choice. Anticipating this to be a continued issue next year, I would like to order enough ammunition to cover most of next year also. It is very possible that we will not even receive this order until 2022.

The total cost of the order will be \$3,430.62. We have \$1,803 of the original \$2,000 in our ammunition budget for 2021. We would be asking for \$2,000 again in 2022 unless there is a drastic increase in ammunition.

If you have any questions or concerns, please feel free to reach out to me.

Respectfully,

Raymond E. Hartwell / Undersheriff
