

**GLADWIN COUNTY
EMERGENCY MANAGEMENT &
HOMELAND SECURITY**

555 WEST CEDAR AVENUE, SUITE C
GLADWIN, MI 48624
(989) 426-6871

DATE: September 30th, 2020

TO: County PIO

FROM: Robert North
Gladwin County Emergency Management/HSD

SUBJECT: Safety warning for Tittabawasee & Tobacco Rivers, and Secord, Smallwood and Wixom Lakes.

Conditions on the ground in the listed areas are hazardous to the point that operation of any motorized vehicle, and with winter arriving, the use of snowmobiles, presents a near certainty of crashes resulting in critical injury or death.

Drop offs, obstructions, unstable ground, the uncertain stability of ice development and the accumulation of snow by themselves, or collectively, present an extremely dangerous situation.

If a poor decision is made to venture out, any rescue response will be delayed due to these same conditions.

Please be safe and don't venture out.
