

**2021 Apportionment Commission**  
**Gladwin County**  
**RESOLUTION**

We, the Gladwin County Apportionment Commission, adopt the following five (5) Commissioner District plan for the Gladwin County Board of Commissioners for the period of January 01, 2023, through December 31, 2032.

The plan is as follows:

**District 1:** Population – 5,025  
Townships of Sherman, Butman, Clement, and Secord in their entireties.

**District 2:** Population – 5,419  
Sage Township and Gladwin Township in their entireties, and the northern portion of the City of Gladwin as follows:  
The entire city north of M-61 excluding the city blocks from the corner of Cedar Ave. and Erie St., north to Beech St., east to N. Silverleaf St., south to Cedar Ave., and returning west to the corner of Erie St.

**District 3:** Population – 4,942  
Townships of Bourret, Grim, Hay, Billings and Bentley in their entireties.

**District 4:** Population – 4,964  
Townships of Buckeye and Tobacco and the City of Beaverton in their entireties.

**District 5:** Population – 5,036  
Townships of Grout and Beaverton in their entireties, and a portion of the City of Gladwin as follows:  
The entire city south of M-61 as well as a portion located north of M-61 from the corner of Cedar Ave. and Erie St., north to Beech St., east to N. Silverleaf St., south to Cedar Ave., and returning west to the corner of Erie St.

The average of the five (5) districts is 5,077, the maximum allowable difference is 604, and the maximum range of deviation is 11.9%. This plan has a difference of 477; the Range of Deviation is 9.39%.; the low is at 97.34% and the high at 106.73%.

Respectfully Submitted,

  
Christy VanTiem, Chairperson

Gladwin County Apportionment Commission
