Emergency Medical Services
For the purpose of continuing to provide emergency medical services in Gladwin County, for four (4) years (being 2023 to 2026 inclusive) shall the County of Gladwin levy up to 1 mill (\$1.00 per \$1,000 of taxable value), commencing with the December 2022 tax billing through the 2025 tax billing; such assessment being an increase over the 15 mill limitation provided in Section 6, Article IX of the Michigan Constitution of 1963. This tax will renew and continue a tax which was previously levied at .9958 mills which otherwise expired December 2020 and would raise an estimated \$1,299,970 in the first calendar year, based upon the 2022 taxable value. If approved and levied in accordance with State law, a portion of the millage monies raised in their respective jurisdictions may also be captured by the Downtown Development Authority of the Cities of Beaverton and Gladwin.

Emergency Medical Services
For the purpose of continuing to provide emergency medical services in Gladwin County, for four (4) years (being 2023 to 2026 inclusive) shall the County of Gladwin levy up to 1 mill (\$1.00 per \$1,000 of taxable value), commencing with the December 2022 tax billing through the 2025 tax billing; such assessment being an increase over the 15 mill limitation provided in Section 6, Article IX of the Michigan Constitution of 1963. This tax will renew and continue a tax which was previously levied at .9958 mills which otherwise expired December 2020 and would raise an estimated \$1,299,970 in the first calendar year, based upon the 2022 taxable value. If approved and levied in accordance with State law, a portion of the millage monies raised in their respective jurisdictions may also be captured by the Downtown Development Authority of the Cities of Beaverton and Gladwin.
