February 29, 2012  
1:00 p.m.

Members present: David Blecke Judy Ford JoAnn Hoag  
Bob Wilton was in Florida caring for his mother.

The canvass of the Election went well with no issues. Hay Township came before the Board to provide a missed signature and Beaverton City reconciliation sheet was corrected to show AV ballots that were accidentally marked as "envelope ballots". Clement Township's reconciliation sheet was corrected to show both ballot styles. Both precincts were contacted and the process was reviewed with them. The Election was canvassed and certified at 3:05 pm.

Respectfully Submitted:
