

Canvasser Minutes of the August 7, 2012 Primary

August 8, 2012
1:00 p.m.

Members present: David Blecke Judy Ford JoAnn Hoag Bob Wilton

The Clerk told the Board that Election Day went very smooth and all the precincts balanced to zero. The Board made the following comments.

Bentley Township changed the count on the AV totals to include "envelope ballots" that were marked in error.

Gladwin City was split into 4 sections for this election. The Precincts were totaled each with 2 wards.

Butman Township and Gladwin Townships workers were asked to come in and sign the tabulator tapes.

The certification page from Sage Township was corrected by Laura Flach, Township Clerk.

The Beaverton City ballot summary page was corrected to show the AV ballots counted, not mailed out to the voters.

The Election was canvassed and certified at 4:10 pm.

Respectfully Submitted:

Laura Brandon-Maveal
Gladwin County Clerk
