

RESOLUTION

IT IS HEREBY RESOLVED that the County of Gladwin, hereafter referred to as County, pursuant to MCL 324.9105 (2), designates the Gladwin Conservation District, herein after referred to as District, whose address is 1501 N. State Street, Gladwin Michigan 48624, as the County Enforcing Agency responsible for administration and enforcement of Part 91 Soil Erosion and Sedimentation Control of the Michigan Natural Resources and Environmental Protection Act [PA 451 of 1994, as amended], and the rules promulgated under said Part, in the name of County.

IT IS FURTHER RESOLVED that the District may charge and retain, as reimbursement for services provided, the fees and charges for inspections, plan reviews, and permits as have been previously approved by the County or as later to the fees and charges so collected.

IT IS FURTHER RESOLVED that the district shall provide all personnel, supplies, and equipment reasonably necessary to carry out the purposes of the Resolution, with proper current certificates of training as provided in MCL 324.9105 for responsible administration.

IT IS FURTHER RESOLVED that District shall perform the duties and responsibilities as are set forth in MCL 324.9105(6) such that the County Soil Erosion and Sedimentation Program shall be approved by the State of Michigan.

IT IS FURTHER RESOLVED that the County shall cooperate with the District in providing technical assistance to the District on matters of enforcement.
