

## **Conservation District Millage Renewal**

Shall the tax limitation on general ad valorem taxes within the County of Gladwin imposed under Article IX, Sec. 6 of the Michigan Constitution renew at 0.1500 mill (\$0.15 per \$1,000 of Taxable Value) on all real and personal property in Gladwin County for a period of five (5) years, beginning in 2024 through 2028, to continue funding the Gladwin Conservation District programs, including providing recreational opportunities in the Cedar River Watershed through cleanup efforts, administration of soil erosion programs, free land management assistance including agricultural producers and farmland, local grant writing and administration, annual tree sale programs, aid for private landowner conservation efforts in accessing cost-share programs, community outreach, environmental education with Gladwin and Beaverton Schools, invasive species work, and water quality initiatives. A portion of the sums levied may be captured by Tax Increment Financing entities within the County, such as DDAs.

If approved and levied, this millage will raise an estimated \$163,000 in the first calendar year of the levy.
