3. The Chairperson of the Board, the County Controller/Administrator, the County Clerk, the County Treasurer and any other official of the County, or any one or more of them ("Authorized Officers"), are authorized and directed to take all actions necessary or desirable for the issuance of the Bonds and to execute any documents or certificates necessary to complete the issuance of the Bonds, including, but not limited to, any applications including the Michigan Department of Treasury, Application for State Treasurer's Approval to Issue Long-Term Securities, any waivers, certificates, receipts, orders, agreements, instruments, and any certificates relating to federal or state securities laws, rules, or regulations, including a certificate of the County to comply with the continuing disclosure undertaking of the County with respect to the Bonds pursuant to paragraph (b)(5) of SEC Rule 15c2-12 issued under the Securities Exchange Act of 1934, as amended, and to participate in the preparation of a preliminary official statement and a final official statement for the Bonds and to sign such documents on behalf of the County and give any approvals necessary therefor.

4. This resolution shall become effective only if the Board of Commissioners of the County of Midland adopts a resolution substantially in the form of this resolution that pledges the limited tax full faith and credit of the County of Gladwin to the payment of the principal of and interest on the Bonds when due to the extent of its apportioned share of the cost of the Project
