IV Applicants Signature and Homeowners Affidavit

Section 23a of the state construction code act of 1972, 1972 PA230, MCL 125.1523A, prohibits a person from conspiring to circumvent the licensing requirements of the state relating to persons who are to preform work on a residential structure. Violators of Section 23a are subjected to civil fines.

I hereby certify the plumbing work described in this permit application shall **be installed by myself in my own home** in which I am living or about to occupy. All work shall be installed in accordance with the Michigan Mechanical Code and **shall not be enclosed, covered up or put in operation** until it has been **inspected** and **approved** by a Gladwin County Mechanical Inspector. I will cooperate with the Mechanical Inspector and assume the responsibility to arrange for necessary inspections

****for certification of Back Flow preventer add fee #23

VII Instructions for Completing Application

General: Mechanical work shall not be started until the application for permit has been filed with the Gladwin County Construction Codes Department. All installations shall be in conformance with the Michigan Mechanical Code. No work shall be concealed until it has been inspected. When ready for an inspection, call the office number provided on the permit with as much advance notice as possible. Please have the property owner's name and township when scheduling.
Expiration of Permit: A permit remains valid if work is progressing, and inspections are requested and conducted. A PERMIT WILL BE CLOSED WHEN NO INSPECTIONS HAVE BEEN DONE ONE (1) YEAR AFTER OBTAINING THE PERMIT OR IF NO INSPECTIONS HAVE BEEN DONE AFTER SIX (6) MONTHS OF A PREVIOUS INSPECTION. CLOSED PERMITS CANNOT BE REFUNDED OR REINSTATED.
