NEW BUSINESS:

Ray couldn't make the board meeting so there was not a report for the lake. It has been determined that a survey of the lake was done. Terry has spoken to Diane Anderson, and she has some fish weeds in front of her house that she likes. There was a discussion of the weeds. Mr. Kusch talked about how the water is down and the weeds are up. There was discussion on if Lucy has received any bills. Lucy stated that Ray is not good about sending bills so she can't state if the lake has been treated yet. Tim Briggs thinks it hasn't been treated yet. There was more discussion on the treatment and when it is done and the weeds. Ron and Terry want Lucy to make sure Ray is at the next meeting.
